

FAST 2 SMS

TEAM ID:PNT2022TMID04701

TOPIC : SMART FARMER-IOT ENABLED SMART FARMING APPLICATION

1. Create an account in Fast2SMS website
2. Login to send SMS

The screenshot displays the Fast2SMS website interface. At the top, the header includes the Fast2SMS logo, account information (Account Info), a loading indicator, a notification bell, a user profile icon, and the name K.PRIYA DH... with a dropdown arrow. Below the header, a red sidebar on the left contains a balance of ₹55.00, an 'ADD CREDIT' button, and a list of navigation options: Bulk SMS, DLT SMS, Quick SMS, Address Book, Delivery Reports, Transactions, Dev API, and Settings. The main content area features two tabs: 'PROMOTIONAL' (selected) and 'SERVICE'. The 'PROMOTIONAL' tab contains a form with the following fields: 'Sender ID' (pre-filled with 'FastSM'), 'Mobile Number' (with a '+91' prefix and buttons for 'CONTACT', 'LIST', and 'EXCEL'), and 'Message' (with a note 'maximum 60 characters' and an 'ENGLISH' button). The message content is 'Dearuseryourotp:'. At the bottom of the form, it says '- Sent via ftwsms'. To the right of the form, a 'FEATURES' section lists several benefits for marketing and promotional SMS, each with a red icon: a megaphone for 'For Marketing & Promotional SMS', a checkmark for 'No DLT Registration Required', a person icon for 'Only for Non DND numbers', a checkmark for 'SMS Delivery After Approval', a clock for 'Send SMS from 10 AM - 9 PM', and a prohibition sign for 'Personal SMS not allowed'.
